NOTE: Without payment, your child's space is not guaranteed. Your booking is only complete once payment has gone through.

Siblings need to be signed on separately, because it needs to be done through their different accounts.

If you wish to book on a non-member friend to join your child, this needs to be done through a separate link. To avoid creating further accounts at LoveAdmin, please do not use the non-member link for your child (member).

This is a new system we are trialling to expediate the booking process and avoid over booking classes in COVID time where class number restrictions are in place, to keep everyone safe.
